PARKING INSTRUCTIONS : ISRII

CODE : 0818

Step 1: Please note your vehicle's license plate number and state registration. It may be helpful to take a picture of your license plate with your smartphone. You will need to enter this information to a pay station.
Step 2: At the pay station, push "Start" on the keypad if the screen is black, which will bring up the home screen. (NOTE: The Parkmobile app may NOT be used when paying with a validation code.) **THE MACHINES ARE NOT TOUCH SCREEN.**
Step 3: Push option "2" on the keypad for Enter Validation Code.
Step 4: Enter your LICENSE PLATE NUMBER and press the "green ENTER button with a check mark" on the keypad.

Step 5: Enter the PARKING CODE provided to you, and press the "green ENTER button with a check mark" on the keypad. **The code is required only on the first**

day for multi-day access.

Step 6: The expiration time will be displayed and the transaction is complete. A receipt will be printed for your reference, but there is no need to place it on the vehicle's dashboard.
